

Socialyana AI Generation Stack

Recommendations for 90 Videos/Month Package

Executive Summary

For Socialyana's 90-video/month production package, we recommend **100% external API-based generation** (no local infrastructure).

Benefits: Speed (<30 sec/image), Quality (client-ready), Reliability (no server maintenance), Scalability (instant capacity)

Cost: ~0.9-2% margin impact (RM 197-447/month)
